Sunrise has a residential short breaks unit, "The Den," and a resource play area, available for children accessing The Den, Barnardo's clubs & playschemes. The resource area is also available for hire and offers the following facilities...

Sunrise is on the A26 between Tonbridge and Tunbridge Wells, opposite the cricket green in Southborough. The site is shared with Barnardo's Meadows School. The closest bus stop is **The Fountain, Southborough**, a minute's walk down London Road. **Tonbridge Rail Station** offers regular rail links and is a short bus ride away.

Welcome to the Sunrise Children's Centre - A resource facility offering short break opportunities to disabled children and young people aged 4-18 years* who live in the West Kent area. The Sunrise Centre is managed by Kent County Council, who work in partnership with Barnardo's, to deliver a range of services from overnight accommodation (in "The Den") to after-school clubs, weekend activities, playschemes, and holiday events.

Peace of mind is hard to achieve when your child is away from home, but you have given us that.

* Age limits vary between Sunrise services. The Den is for 5-18 year olds.

We aim...

- ... to provide **quality, homely and welcoming short breaks** for children and their families, with appropriate staffing levels.
- ... to be committed to providing an **enabling environment** which promotes **enjoyment, growth and development**, aided by **clear boundaries and a consistent approach**.
- ... to ensure that all families who use our service know **what they should expect** from us and are enabled to express concerns or complain if standards are not met.
- ... to provide high standards of physical care and safety, where the **welfare of the child is paramount**.
- ... to provide an atmosphere where children can **voice their opinions, express their needs** and **exercise their rights**.

We are dedicated to promoting the following outcomes for our children and young people...

- To be healthy
- To enjoy and achieve
- To achieve economic wellbeing
- To make a positive contribution
- To be safe

They are very organised, professional and flexible in their working, and are eager to help each child maximise their full potential.
