Excellent venue. Folders full of information and good resource.

Very practical hands on.

Excellent teachers, informative interesting.

Have really enjoyed today and found it more informative than I thought it might be.

Thank you for excellent course.

Very practical, student directed, taking time to answer questions.

Excellent course, really enjoyed today and learnt tons, far more ready to take into practice than yesterday.

I've been waiting for a course like this.

Delivered exceptionally well.

Training commissioned by the following clinical commissioning groups: Ashford, Canterbury and Coastal, South Kent Coast and Thanet.

Training delivered by Kent Community Health NHS Foundation Trust.

2017/18 programme

Diabetes Foundation Course

Three days

PrePITstop course aimed at GPs, practice nurses and nurse practitioners. It focusses on group and interactive learning. Participants receive a certificate once the course is completed.

The foundation course helps increase awareness of local diabetes services, national and local prescribing guidelines. It also helps improve your confidence and knowledge when diagnosing diabetes, and when supporting people to self-manage diabetes through diet, active lifestyle and oral medication.

The course has been designed to include the key elements of essential diabetes care that is provided by the GP diabetes team.

- 20, 21 and 25 September 2017
- 18, 19 and 23 April 2018

Abbots Barton Hotel, Canterbury, CT1 3DU

Diabetes Advance Course

Two-and-a-half days

PITstop course for primary healthcare professionals concentrating on required skills to deliver an enhanced diabetes service (injectable therapy); including complex orals and injectables.

- 15 and 16 November 2017 and 7 March 2018
- 19 and 20 September 2018 and 16 January 2019

Abbots Barton Hotel, Canterbury, CT1 3DU
