Questions	Answers
<i>Do you currently outsource your Occupational Health Services?</i>	Yes*
<i>If so, Who do you currently use for your Occupational Health Services?</i>	Optima Health – Working on Wellbeing trading as Optima Health
<i>When is your current contract up with your current Occupational Health Provider?</i>	Initial term ends on 5 January 2023
<i>What was your spend for 2020 on Occupational Health Services?</i>	£505k**
<i>Are you currently running on the new CCS Occupational Health Framework?</i>	No, we are using the older framework due to the time of the award, RM3795

*Please note that the answers provided relate to the Trust's occupational health provision for normal business and it excludes anything Covid-19 vaccination related.

**Please note that this was an exceptional year as we switched providers and part of the expenditure was in relation to incorrect invoicing from the previous provider in relation to the previous year and some was in relation to the new provider sorting out various issues left by the previous provider. We would normally expect to spend £350k.
