Thank you for your email dated 10 May 2021 requesting information regarding the executive lead for staff mental health and wellbeing.

Please find detailed below a summary of your original request together with our response.

Original request:

In your NHS trust do you have a board/exec level representative responsible for mental health/wellbeing who is solely dedicated to improving staff mental health and wellbeing? This information should cover from Jan 2019 to present day (or Jan 2021) if a fixed date is required.

Kent Community Health NHS Foundation Trust does not have board/exec level representative solely dedicated to improving staff mental health and wellbeing, however this does sit within the remit of our Executive Director of Workforce Organisational Development and Communications, Louise Norris.
