

Request for information under the Freedom of Information Act – 2021.829
Released – 27 May 2021

Thank you for your email received 17 May 2021 requesting information regarding people who have died from Covid-19.

Summary of your original request:

How many people have died from covid 19 in Kent community health NHS foundation trust hospitals

From 1 January 2020 to 16 May 2021

This is only to include patients who have had a covid 19 test and have not died from preexisting conditions

18 patients died between these dates that had Covid-19 as the only cause of death listed on their death certificate.

How many patients at kc NHS foundation hospitals are currently there with confirmed covid 19

We currently have 3 step down patients in our in-patient units.

Chairman John Goulston Chief Executive Paul Bentley
