

Request for information under the Freedom of Information Act – 2022.1121
Released – 22 March 2022

Thank you for your email received 7 March 2022 requesting information regarding clinical trials.

Please find detailed below a summary of your request, together with our response.

Summary of your original request:

I am trying to understand the level of clinical trials activity that is taking place in the UK. Specifically can you tell me how many commercial clinical trials have been taking place in this hospital trust during 2021?

This could be completed trials, or trials that are ongoing. When I say “commercial trials”, I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

The Trust was involved in 1 commercial trial in 2021. However; we were acting as a follow-up site for another Trust and our agreement was with the other Trust rather than the pharmaceutical company.
