

**Request for information under the Freedom of Information Act – 2022.1134
Released – 28 March 2022**

Thank you for your email received 19 March 2022 requesting information regarding ethnic groups.

Please find detailed below a summary of your request, together with our response.

Summary of your original request:

1. Within the ethnic minority categories used within your organisation to collate information on patient ethnicity, are Gypsy, Roma, Traveller included as three separate ethnic minority groups?

No they are not. Our codes are mapped to the Community Services Dataset (CSDS) which does not identify Gypsy, Roma, Traveller as ethnic categories.

2. Do you collate health trends related to Gypsy, Roma, Traveller health and illness?

Due to the above, we would not collate this information.

3. Please can you send me the list of ethnic groups used by your organisation when collating ethnicity information about patients.
