# BOARD OF DIRECTORS – BOARD AND COMMITTEE MEMBERSHIP AND DESIGNATIONS

### 1. Introduction

The Constitution of Kent Community Health NHS Foundation Trust (the Trust) sets out the composition and makeup of the Board of Directors (the Board) both in terms of Executive and Non-Executive Directors roles. In addition, there are several other roles which are either required by Trust regulators or recommended as part of a system of good governance.

As the Board members are fully aware, there have been several changes to the membership of the Board over the past year. In concert with this, further changes have been signalled and proposed for consideration.

This paper provides an update following the recent changes of the executive directors' portfolios which were approved by the Remuneration Committee on 11 November 2022. The report from the Chief Executive to the Remuneration Committee followed on from the external review of executive portfolios. The Chief Executive has also reviewed and triangulated against the delivery of key priorities required by national, regional, newly legislated integrated care boards, health and care partnerships and KCHFT organisational priorities.

This report presents the proposal for Board membership and Non-Executive Director and Executive Director responsibilities with the required approval where appropriate. The paper also presents proposals for Board recommendation to the Council of Governors as necessary.

## 2. Board Membership

The Constitution sets out that the Board is made up of a Non-Executive Chair, up to a maximum of seven Non-Executive Directors and up to a maximum of seven Executive Directors.

(paragraph 8.8)

Also, that there shall be a majority of NEDs including the chair (paragraph 8.10.2).

# 3. Membership of Board Committees

- 3.2 Executive directors will utilise their deputies where necessary to ensure attendance and utilise specific expertise.
- 3.3 As part of good governance, all non-executive directors, the Chair and the Chief Executive are encouraged to attend at least one meeting per year of the Board Committees that they are not formal members of.

## 4. Chairs and Deputies of Board Committees

4.1 As detailed in Table 1, each of the Board committees has a chair. In the interests of good governance, each committee should also have a deputy chair. Table 2 proposes deputy chair for each Board committee. This will be reviewed on an annual basis in order to ensure that we take account of succession planning. There are no changes from the previous report.

**Table 2 - Chairs and Deputy Chairs of Board Committees** 

| Committee                       | Chair         | Deputy Chair  |
|---------------------------------|---------------|---------------|
| Audit and Risk                  | Peter Conway  | Pippa Barber  |

| Strategic Workforce             | Kim Lowe      | Nigel Turner  |
| Remuneration                    | John Goulston | Pippa Barber  |

4.2 The Remuneration Committee will continue to be chaired by the Chair of the Trust with the Senior Independent Director as the Deputy Chair of the Committee. Where the Chair proposes an agenda item to the Committee e.g. salary change or appraisal of the Chief Executive, the Deputy Chair of the Committee will chair the relevant item.

# 5. Other Non-Executive Board Leadership responsibilities

There have been no changes from 1 April to the other Non-Executive board leadership responsibilities. Thus section 5 of this paper is unchanged from April 2022. For completeness, section is repeated below.

## 5.1. Deputy Chair and Senior Independent Director

Paragraph 13.1 of the Trust's Constitution states that "The Council of Governors at a formal meeting of the Council of Governors shall appoint one of the Non-Executive Directors as a Deputy Chair for such period not exceeding their term of office as a Non-Executive Director, as the Council of Governors may specify on appointment."

Deputy Chair means the Non-Executive Director appointed by the Council of Governors to take on the Chair's duties in accordance with paragraph 13.2 of the Constitution if the Chair is absent for any reason.

The Council of Governors at its meeting on 21 March 2022 approved the continued appointment of Peter Conway as Deputy Chair of the Trust. Peter is also the Chair of the Audit and Risk Committee. The Chair proposes that Peter Conway continues as Deputy Chair.

The Senior Independent Director is appointed by the Council of Governors. The Council of Governors on 21 March 2022 approved the appointment of Pippa Barber as Senior Independent Director.

## 5.2. Non-Executive Director Champion roles

In addition to the responsibilities in table 2 and excluding the Vice Chair and the Senior Independent Director; there are the following assigned NED lead roles / responsibilities:

- Staff Health & Wellbeing Kim Lowe
- Freedom to Speak Up Karen Taylor
- Security Management Paul Butler

In addition, under the 2003 'Maintaining High Professional Standards in the modern NHS: A Framework for the Initial Handling of Concerns about Doctors and Dentists in the NHS' and the associated Directions on Disciplinary Procedures 2005, there is a requirement for chairs to designate a NED member as "the designated member" to oversee each case to ensure momentum is maintained. There is no specific requirement that this is the same NED for each case. The framework was issued to NHS foundation trusts as advice only. Kent Community Health NHS Foundation Trust follows the framework.

The above arrangements reflect the new guidance issued by the NHS in December 2021 on NED champion roles ("A new approach to Non-Executive director champion roles" December 2021 - <a href="https://www.england.nhs.uk/wp-content/uploads/2021/12/B0994">https://www.england.nhs.uk/wp-content/uploads/2021/12/B0994</a> Enhancing-board-oversight-a-new-approach-to-non-executive-director-champion-roles</a> December-2021.pdf). This guidance sets out a new approach to ensuring board oversight of important issues by discharging the activities and responsibilities previously held by some NED champion roles, through committee structures. It also describes which roles should be retained and provides further sources of information on each issue.

Table 3 - Committee leadership roles

| Role  | Committee      | Guide suggests |  |
|---|----------------|----------------|--|
| Hip fractures, falls and dementia             | Quality        | Quality        |  |
| Palliative and end of life care               | Quality        | Quality        |  |
| Resuscitation                                 | Quality        | Quality        |  |
| Learning from deaths                          | Quality        | Quality        |  |
| Health and safety                             | Audit and Risk | Quality        |  |
| Safeguarding                                  | Quality        | Quality        |  |
| Safety and risk                               | Audit and Risk | Quality        |  |
| Lead for children and young people            | Quality        | Quality        |  |
| Counter fraud                                 | Audit and Risk | Audit and Risk |  |
| Emergency preparedness                        | Audit and Risk | Audit and Risk |  |
| Procurement                                   | Finance        | Finance        |  |
| Cyber security                                | Audit and Risk | Finance/ Board |  |
| Security management – violence and aggression | Workforce      | Workforce      |  |

Health and Safety and safety and risk currently are led by the Audit and Risk Committee which already has an effective link to the corporate assurance management arrangements. It is not therefore proposed to change this arrangement.

Similarly, cyber security is effectively overseen by the Audit and Risk Committee and whilst the Finance, Business and Investment Committee oversees digital, the risk component sits best with Audit and Risk.

### 6. Non-Executive Director Terms of Office

The Council of Governors on 20 July 2022 approved the extension of Pippa Barber's term of office by 2 years to 30 November 2024. The terms of office for the Non-Executive Directors are detailed in table 4 below.

Table 4 - terms of office for the Non-Executive Directors

NB R – reappointed to the Board of Directors by the Council of Governors for a second term of 3 years. Non-Executive Directors and the Chair can stand for two 3-year terms of office and be offered up to a further 3 years by the Council (R2). The maximum term for a NED is 9 years.

Appointments of Non-Executive Directors are the responsibility of the Council of Governors. The Council of Governors has formed the Nominations Committee to consider the appointment and re-appointment of Non-Executive Directors and make recommendations to the Council.

## 7. Associate Non-Executive Director

Following the NED recruitment process in the autumn of 2021, the Council of Governors approved the appointment of Razia Shariff as an Associate Non-Executive Director from 1 February 2022. The appointment is to support succession planning and add to the diversity of thinking on the Board of Directors. An Associate NED provides additional support to the Board and constructively challenges the Trust's ambitious vision for integrated care focused on improved public health outcomes, both in terms of strategy and successful execution of service change. The Associate NED role is used successfully in the NHS to support Board succession strategy and achieving a balance of

Board level skills. Associate Non-executive directors cannot participate in any formal vote at Board.

## 8. Recommendations and next steps

The Board is asked to approve:

- The Non-Executive and Executive Director membership of committees as set out in Table 1 effective from 1 December 2022
- ii. The changes to the executive directors' designations following the approval of the Remuneration committee.

## **Next steps**

The Board is asked to note:

- the composition of the Board and its voting membership as set out in section 2.
- that a Chief Allied Health Professions Officer and a Director of Corporate Governance will be appointed.
- Executive Directors' substructures will be realigned by the end of December 2022.
- Executive Directors' objectives to be worked through by the end of December 2022.
- Appraisals a new process will be in place for executive directors for February 2023.
- An external well led review is currently taking place. The report will be presented
  to the Board of Directors and then to the Council of Governors in early 2023. Any
  changes to board designations and or committee membership following the well
  led review will be proposed to the Council of Governors or the Board of Directors
  depending on the nature of any proposed change.
